SOCIAL NETWORK CREATED JAZZ CD RELEASE

Jazz CD featuring original compositions created solely online via social networking site.

(Oakland, CA) September 1st, 2013 -- "Jazz Social" is a unique CD recording project created entirely by volunteers online via a social networking site. Initiated by guitarist Dave Wright and facilitated by the social networking site for musicians, Kompoz.com (<http://www.kompoz.com>), this recording project features Dave on guitar performing his original compositions accompanied by host of volunteer musicians from around the world!

Written, created and recorded online between September 2012 and May 2013, "Jazz Social" features 8 original compositions in the "Mainstream Jazz" genre featuring standard Jazz instrumentation including Piano, Upright Acoustic Bass, Drums and Guitar, also featuring Hammond Organ and Bossa Nova style Guitar on one track. Each music track was performed, recorded and contributed by each musician, utilizing their own resources, interests, skills and time frame, there were no deadlines, explicit instructions, expectations or recording dates. The musicians involved have never actually played together live in person.

Suggested tracks: Shell Blue, Sallade, Holiday Drive, Fireside Bossa

About The Band: Dave Wright is a Guitarist/Composer currently living in the San Francisco Bay Area, this is his first release in the Straight-ahead Jazz genre.
